eXRS UNIQUE FEATURES – eXRS is the BEST Choice

MOST ADVANCED TWO-WAY RADIOS

Digital technology ensures longest range, unmatched clarity and interference free communications.

10 BILLION CHANNELS FOR PRIVACY

Crowded channels and privacy codes are a thing of the past.

PRIVATE AND SECURE

Only eXRS radios set to your channel can listen in. Scanners cannot track your conversation.

COMPATIBLE WITH ALL eXRS DIGITAL TWO-WAY RADIOS

To ensure privacy, eXRS radios are not compatible with analog FRS/GMRS two-way radios (walkie talkies).

TEXT MESSAGING

Write your own messages or use 'READY NOTES'. Up to 80 characters per message.

CALLER ID AND CALL WAITING

NO LICENSE REQUIRED

LEGAL FOR ALL AGES

PRIVATE OR GROUP CALLING

Talk one-to-one or one-to-many. Contacts storage of up to 100 contacts.

TSX-HS2

VOX/PTT Headset with On-Ear Speaker

TSX-RC

Ballistic Nylon Case For eXRS Radios

TSX-BP

Spare Battery for eXRS Radios

THE TRUTH ABOUT RANGE

All two-way radios - eXRS, FRS and GMRS (walkie-talkies) operate in the UHF radio spectrum.

USABLE RANGE FOR ALL GOOD QUALITY UHF TWO-WAY RADIOS IS THE SAME.

Don't expect differences in range performance based on advertised range claims. All good quality UHF radios are capable of operating over hundreds of miles under optimal conditions, but range on Earth is limited to much less by the physical environment and conditions of use. These conditions dictate that usable range is equivalent for all of these two-way radios and typically varies from a few thousand feet to several miles.

eXRS is the Best Choice

TSX10A eXRS Universal Accessory Kit

- Dual Port Desktop Charger
- 2 NiMH Rechargeable Battery Packs
- 2 VOX / PTT Headsets

Included with TSX300-2VP or Sold Separately
